

HAND-PAINTED CHRISTMAS

SWEATER MUG & BOWL SET

DB34379 - COZY SWEATER MUG

Duncan® True Matte Glazes™:

- TM321 - Dusty Sage
- TM301 - Marshmallow Creme

Colors:

- CMM070 - Star Dust

Brushes:

- SB807 - Fan Brush

Other Supplies:

- sponge

Instructions:

1. Paint 1 thick coat of Star Dust all over the outside of the mug until no white is showing.
2. When the color has lost its shine, take a slightly damp sponge and gently wipe the Star Dust off the mug. You want to wipe lightly, removing the color from just the raised parts of the texture. This will leave the color in just the cracks, giving it an antiqued look. For best results, continually rinse your sponge in your water bowl while you wipe, as needed, and squeeze out the water well so it doesn't drip onto your pottery.
3. Paint 3 thick coats of Dusty Sage over the outside of the mug, top rim, and handle.
4. Paint 3 thick coats of Marshmallow Creme on the inside of the mug.
5. Stilt and fire to Cone 06. Do not clear glaze.
